## For the Heating Professional

- Available only through your local wholesaler
- Can be used with any 2-wire boiler or forced air furnace
- Replace older Honeywell 2-wire round thermostats and get Wi-Fi Connected
- Connect to a Baxi Boiler for added Benefits:
  - View energy consumption, outside temperature, water pressure, and current boiler temperature
  - View boiler messages to confirm the boiler is operating correctly and diagnose errors
- Service contract opportunities
  - Device allows you to enter your installer contact details, ensuring fast response for your service contracts
